

**Bridge Builders**

## **Community Impact Pastor Job Description**

Rev. January 18, 2023

The mission of Bridge Builders is to inspire inner-city innovation that will holistically transform neighborhoods one block at a time.

### **Role**

The Community Impact Pastor (CIP) is responsible for planning and executing the organization's block transformation initiative. This role is about making our presence known within the six block radius of each Hub location. The goal of this role is to engage, unify, encourage, and make sustainable impact within the target area. The (CIP) will serve as the shepherd of the community, spreading neighborly love, and will report directly to the Operations Pastor.

**Full-Time:** Mon-Friday (9am-6pm) Seven Saturday Serve Days are in addition

**Pay:** Negotiable

### **Job Duties**

- Identify problematic properties or in need of repair in target area
- Community Organizer
- Maximize and increase resident involvement
- Listen to the needs, complaints, and concerns of our residents
- Solicit & track available properties in target area from residents & landlords
- Engage residents in an effort to build relationships with all of our neighbors
- Work with and engage volunteers & summer missionaries serving in our target area
- Identify and report on local grant opportunities
- Give presentations on the work of Bridge Builders
- Assist in the development of programs that maximizes BB's impact in the neighborhood
- Market & elicit project applications from residents
- Organize/lead neighborhood block clean-ups
- Assist in planning and executing Serve Days
- Report nuisance issues to the city
- Assist in planning yearly block party
- Light maintenance of BB owned properties (lawn-care, snow...cleaning...small repairs, etc..)
- Assist in planning and executing neighborhood block meetings
- Develop relationships with local police officers
